Our Pea Lamp Roof Canopy offers a stunning effect to a marquee wedding. This fully dimmable fairy light ceiling includes 8 x one metre strips of pea lamps which can be installed as one intense canopy or spread throughout the ceiling in metre strips. The full canopy includes 10,240 of twinkling lights

White Globe Chandeliers

Our standard finish in a fully finished marquee. These modern globe chandeliers are fully dimmable and are ideal for weddings, corporate and party marquees and they offer the most cost effective option.

Brass Chandeliers

For client's who prefer a more classic look we can offer an 8 arm brass chandelier with candle bulbs. These are fully dimmable to give an intimate evening atmosphere if required

Crystal Chandelier

Our crystal chandelier is our most luxurious top of the range chandelier option. This beautiful 12 arm chandelier offers a stunning finish to a wedding marquee.

Festoon Lighting

Festoon lighting offers an alternative to chandeliers in wedding marquees to offer a more informal look. They are ideal for party marquees for an outdoor festival look and feel.

Basic Dance Floor Lighting

Basic Dance Floor packages are available ranging from a 6m truss with 12 LED spotlights in our smaller marquees to a 10m truss and 20 LED spotlights in the larger structures.

LED Uplighters

Our LED Uplighters can be a static colour or colour change throughout your event. Easily altered with a small remote control these are ideal for creating a different atmosphere in an evening event.

Starlight Roofs

For party marquees or nightclub areas in corporate or even wedding marquees, our black star cloth roofs are ideal. They are complemented by black out walls and entertainment lighting.
