Benefits of Marquee Hire

By hiring a marquee for your event, you have the freedom to transform any location into a magnificent venue. You can celebrate at home in your garden, by a scenic beach or perhaps at an historic castle. Our professional, supportive team can create your vision virtually anywhere with our marquees.

Why a marquee?

Personalise your marquee

You choose the size, decor, location and any extras you need for the perfect event, such as lighting, flooring and catering areas.

Create a unique atmosphere

Starting with the blank canvas of a marquee allows you to create the ambience you wish to create for your event.

Totally weatherproof

Marquees provide excellent protection against our unpredictable weather so you and your guests stay comfortable come rain or shine.

Event examples

We host various events and special occasions in our marquees, including weddings, corporate functions, festivals and private parties. Please see the Case Studies on our website for more.

What our customers say

Testimonials from some of our satisfied clients who have used our marquees for their events.

I wanted to write to say how grateful we are that we chose you to provide the wedding marquee. It's easy to say 'it's what we do' but your team were easy to work with – got on with the job without a fuss, and were unfailingly polite, good humoured and obliging. Thank you for everything you did to make the day so special.
